## Macmillan's Biggest Coffee Morning!

Northside will be taking part in the Macmillan's World's Biggest Coffee Morning on Friday 25th September 2015. It will be held in the small hall from 9-10am and all parents/carers are welcome. We will be very grateful for any donations of cakes and biscuits (no nuts). If you are going to bake, please bring in your homemade cakes into the Office on the morning of Friday 25th September. Throughout the week there will be a challenge - Guess how many sweets are on the cake (50p per guess) with a mystery prize for the winner. All proceedings will go to help support people affected by cancer in your local area.

## ESOL Classes

ESOL classes will be starting on Monday 21st September 2015. If you have signed up, please meet Roshni in the office at 9:30am.

## Start Your Day The Northside Way!

Breakfast club starts at 8.00am every day. You can enjoy a healthy breakfast of cereal and toast while chatting to your friends. On a Friday you can enjoy a cooked breakfast of eggs, beans, bacon, sausage and toast. Orange juice, apple juice, water and milk are available to quench your thirst. While the rest of Northside are sleeping or on their way to school we are playing hockey, dodgeball, badminton, parachute games or table tennis. In the warmer months we play in the playground. A good game of football is always welcome. For those who like a slower start to the day there are board games and colouring or you can use the time to catch up on some reading. All this for only £1.00 (£2 on a Friday) so why don't you give us a try!

## Playground Equipment

On Wednesday Year 6 went to Golders Hill Park. We took the 82 bus and then walked to the park. When we arrived Carlos and Joe met us as and told us all about the park and the rules of orienteering. They gave us each a map and a compass and we had to find our way to a landmark in the park. We split in to 4 groups and went off on our quest. We had a good time and then went back to school. ## Playground Equipment

Please note that the play equipment in the main playground is not to be used by the children before or after school. This is to comply with health and safety regulations.

## Jeans for Genes Day

## Reminders

**Nut Free School** A number of children and staff at Northside School have allergies to nuts. In some cases contact with nuts can make them very ill. Therefore our school is a 'Nut Free School'. Please ensure that your child does not bring nuts or nut products to school. For children who have packed lunch please remember that peanut butter sandwiches should be avoided as this can also cause allergic reactions!

**Collection Arrangements** If you arrange for someone else to collect your child please inform your child's class teacher in writing. However if you need to do this at short notice please telephone the school office and we will pass on the message.

**Birthdays** If your child wishes to celebrate their birthday with their peers, they are asked to bring fruit to share or donate a book to the class library (a special birthday bookplate will be stuck in the book with the child's name.)

**Money** If you need to pay money to the office for any reason please send it into school with your child in their book bag. The correct money should be sent in a envelope clearly labelled with your child's name, class, amount enclosed and what the money is for. We will not accept payments in the office. Contact Information Have you moved home or changed any of your phone numbers? If you have please inform the office so we can update our records. Thank you.
