Dear Parents/Carers,

Welcome to Year 1 and I look forward to working with you this year.

As you know, reading is essential for all learning as well as being a life skill. For your child to achieve their full potential, it is essential that you read with them every day for at least 10 minutes. At this early stage in reading, it is beneficial for the children to read a book several times so they consolidate new words, become fluent readers and fully understand the text.

Please make sure that you complete and sign the Reading Record each day with the title of the book and a comment of how your child read. There is also an opportunity for the children to complete a weekly activity in their reading record based on one of their books.

Reading books will be changed every Monday and Thursday and each child will be listened to on an individual basis at least once a week.

There will be an opportunity to discuss this further at the "Meet the Teacher" meeting on Monday 24th September at 9am.

Thank you for all your support.

Mrs. L. Ng.
